JUNE TIMBER INCREASES.

Dear customer,

Given the current market conditions we know how important it is that you are provided with notice of any significant price changes. We are therefore advising you of some price increases on products that you have purchased previously.

| Product Category | Price Increase | Live Date |
|---------------------|----------------|---------------|
| Imported Carcassing | +5% | 1st June 2021 |
| CLS | +10% | 1st June 2021 |
| BS Batten | +10% | 1st June 2021 |
| Type A Batten | +10% | 1st June 2021 |
| Machined Timber | +10% | 1st June 2021 |
| Decking | +10% | 1st June 2021 |
| Casings & Linings | +10% | 1st June 2021 |

Please note, the above increases do not apply to all products within the categories and only highlight the most relevant price increases.

Why we're raising our prices. Unfortunately, the market is still being affected by an increase in global demand for Timber and Panel products. The demand has largely been driven by the very strong US housebuilding programme mixed with the growth of emerging Asian markets. As a result of this increase in demand, the UK market is being forced to pay higher prices for the smaller volume that is available.

If you'd like to talk to us about anything we've included within this letter, please get in touch with your local branch.

We look forward to continuing to work with you.

Yours Sincerely,
